

2018 Charity Golf Tournament

REGISTRATION FORM

Join us at Progressive Initiatives' third annual golf tournament as we come together to help the struggling youth of our community. Proceeds of the tournament will aid in funding the educational, health and wellness, cultural activities, and entrepreneurial training programs organized by Progressive Initiatives. Money earned through this event will support the Progressive Initiatives Foundation Scholarship Fund.

ABOUT PROGRESSIVE INITIATIVES.....

Progressive Initiative is responsible for providing personal finance education to community youth. This education coupled with some presentation skills training will allow these youth to facilitate a large training session. The program teaches the basics of financial management, leadership, and responsibility.
